

Free talks for parents/carers

about Special Educational Needs & Disabilities issues

The SEND Information, Advice & Support Service are hosting information sessions at Markfield for parents/carers

Exclusions

Tuesday 24th January 2017

9:45am-12pm

We will share information about the exclusion process, how schools can avoid making exclusions and how parents/carers should be involved in the process. We will look at the national guidance and law in specific relation to SEND.

Personal Budgets for Short Breaks

Tuesday 28th February 2017

9:45am-12pm

We will share information about the personal budgets system in Haringey; the assessment process, your choices and rights, how support should be provided and by whom.

Writing SMART Outcomes

Tuesday 28th March 2017

9:45am-12pm

We will share information about the importance of using outcomes to plan all SEND Support and the key role of outcomes within SEND Statements or Education Health and Care Plans (EHCP). We will look at how to make outcomes SMART (Specific, Measurable, Achievable, Relevant, Time-bound). Staff from Haringey Independent Support will also be at the talk to share information about the transfer and assessment process for EHCPs and to take referrals for one to one support.

Please email or call our Family Support Administrator to book your place!
