

Free talks for parents/carers about Special Educational Needs & Disabilities issues Autumn 2017

The SEND Information, Advice & Support Service are hosting information sessions at Markfield for parents/carers

Writing SMART Outcomes Tuesday 31st October 2017 9:45am-12pm

We will share information about the importance of using outcomes to plan all SEND Support and the key role of outcomes within SEND Statements or Education Health and Care Plans (EHCP). We will look at how to make outcomes SMART (Specific, Measurable, Achievable, Relevant, Time-bound). Staff from Haringey Independent Support will also be at the talk to share information about the transfer and assessment process for EHCPs and to take referrals for one to one support.

Annual Review Tuesday 7th November 2017 9:45am-12pm

We will share information about the Annual Review process and signpost you to legislation and guidance within the SEND Code of Practice. We will look at ways that Annual Reviews can be based on person-centred planning and how meetings can be made inclusive for children and young people.

Exclusions Tuesday 28th November 2017 9:45am-12pm

We will share information about the exclusion process, how schools can avoid making exclusions and how parents/carers should be involved in the process. We will look at the national guidance and law in specific relation to SEND.

Please email or call our Family Support Administrator to book your place!
