

How can we make Haringey a fairer place for disabled people and their families?

Tell your views to the Haringey Fairness Commission

The Haringey Fairness Commission has been set up to develop practical recommendations on how the Council - working with others - can tackle inequality and promote fairness in the borough.

- What do you think should be done to make Haringey a more equal and fairer place?
- What issues should the Haringey Fairness Commission focus on when making recommendations?
- Do you have a story about unfairness in your life?
