

The Markfield project - Trustees

Markfield is a charity based in Tottenham, established for more than 40 years and originally set up by parents of disabled children to create a safe and supportive space for inclusive play. We provide a diverse range of services for disabled children, young people and adults, parents, carers and siblings.

Our purpose is to enable disabled and autistic people to be themselves, take risks and live life to the full, to focus on the needs of the whole family and break down isolation, and to promote respect of disabled and autistic people and support their full participation in society.

Do you want to get involved in this exciting organisation, and are you committed and passionate about the rights of disabled people?

We are looking for new trustees and we are particularly interested in people with any of the following skills and areas of expertise:

- Legal
- Human Resources
- Financial Management
- Strategic planning and review of charities
- Public Relations
- Lived experience of disability

We are keen to have a board that reflects the diversity of Haringey and Markfield service users.

Markfield's Executive Committee meets four times a year. Trustees are expected to being part of one of our two sub-committees that each meet three times a year at least.

If you would like to discuss this opportunity, please contact Silvia Hurtado, 02036675225, shurtado@markfield.org.uk
