

Autism support for young people

Are you aged **12 to 17 years old**?
Are you **autistic**, or are you on the **waiting list** for an autism assessment?

Would you like to join a **monthly social club** to:

- meet other young people and make new friends
- do fun activities and share your interests
- build your social skills

The club meets once a month on Saturday afternoons at the Markfield centre in Markfield Park, Tottenham, N15 4RB

We can also provide **one-to-one advice and support** to parents and young people to help you navigate the autism assessment process, health, education and social care services, and find out about other support available
